ORRVILLE CITY SCHOOLS

FOCUS GROUPS

October 3 or October 29

6:30 pm at the High School Cafeteria

The Orrville Board of Education is excited to invite you to participate in an upcoming focus group as part of our strategic planning efforts to gather valuable feedback about our schools.

- ➔ **Your insights are essential** in helping us understand your perspective regarding the Orrville Schools.
- ➔ **Your voice is crucial in shaping the future of our schools**, and we look forward to your input as we work together to ensure continued success for our students and families.
- ➔ **Your feedback is fundamental** in helping us understand what we are doing well, what we should start doing, and what practices we may need to adjust.

Focus groups are only one way we will engage with the community and staff. Staff and community surveys will also be available to gather insights and feedback. Our goal is to provide various opportunities to engage our staff and community.

If you are unable to attend one of the focus groups, we will be sending a community survey in later October.
