

# **ORRVILLE CITY SCHOOLS**

## **BOARD OF EDUCATION Policy Committee Meeting**

October 21, 2024

4:00 pm

The Orrville City Schools Board of Education Policy Committee will aid the Board in meeting its obligations to develop and oversee compliance in alignment with our district goals, strategic plan, and legal and legislative updates.

Board policies are typically based on federal and state laws and regulations; they require regular review to maintain compliance. The Policy Committee will support the Board by regularly assessing its policies in response to changes and suggesting any necessary actions regarding the Board's policies. The committee will serve solely in an advisory capacity. The elected board serves as the decision-making entity and holds direct accountability to the citizens.

Members: Dr. David Toth, Superintendent, Pat Lorson, Board Member, Megan Middleton, Board Member
