

RECORD OF PROCEEDINGS OF THE ORRVILLE BOARD OF EDUCATION
Minutes of Policy Committee Meeting
March 21, 2025

The Orrville Board of Education Curriculum Committee met on March 21, 2025 at 2:00 p.m. in the Board Office Conference Room. Attendees were Mr. Lorson and Mrs. Middleton, Board members, and Dr. David Toth, Superintendent.

BOARD POLICY UPDATES

The agenda was reviewed and approved.

The primary focus of the meeting was to discuss recent legislative changes and update relevant district policies as follows:

HB 8 - Revision of released time for religious instruction programs and related OSBA policy releases were noted for review and potential policy adjustments.

HB 265 - Modifications to public records requests were discussed, and the need to align district policy with these changes was acknowledged.

SB 104 - The requirement for single-sex facilities was reviewed for its implications on current facilities and related policies.

HB 432 - Amendments to student device monitoring provisions were discussed, and the need to update the district's electronic device policy accordingly was noted.

HB 257 - Modifications to board meeting virtual participation were reviewed for potential impact on board operating procedures and related policies.

HB 206 - Updates to district expulsion policies were discussed, and the need to ensure district policy aligns with these changes was acknowledged.

Changes to Student Medication Administration - Updates in this area were noted for review and potential adjustments to health-related policies.

Modifications Affecting College Credit Plus - Recent changes to the College Credit Plus program were discussed for their potential impact on district offerings and related policies.

Recap of SB 208 Provisions - The committee reviewed the provisions of SB 208 and their implications for district policies.

ODEW Updated Special Education Model Policies and Procedures - ODEW's release of updated model policies and procedures was noted for review and potential adoption.

Changes to Federal Uniform Grant Guidance Policies - Updates to federal grant guidance were noted for their potential impact on district grant management policies.

2024 Title IX Rules Vacated - The vacating of the 2024 Title IX rules was discussed, and the current status of Title IX policy was reviewed

Superintendent Toth will distribute relevant information and updated policy language to the remainder of the board of education members and place policy updates on the board agenda for a first reading.

Public Participation - None at this time.

The meeting was adjourned at 3:37 pm. Minutes were prepared by Dr. Toth, Superintendent.
