

ORRVILLE CITY SCHOOLS STRATEGIC PLAN

JULY 2025 – JULY 2028

Board of Education adopted 5.5.25

GOAL 1 COMMUNICATIONS

Foster clear, consistent, and accessible communication strategies that strengthen trust, enhance relationships, and unite students, staff, families, and the community to build a connected school system.

GOAL 2 STUDENT ENGAGEMENT AND PARTICIPATION

Create a learning environment where every student feels included, valued, and encouraged to participate in activities that match their interests—whether in the classroom, clubs, or extracurricular programs.

GOAL 3 STUDENT ACADEMIC ACHIEVEMENT

Foster a culture of academic excellence and personalized learning that supports the growth and achievement of all students, empowering them to reach their full potential and successfully pursue their chosen post-graduation pathways.

GOAL 4 OPTIMIZE FACILITIES AND OPERATIONS

Perform a detailed analysis of current district facilities to identify areas of development, maintenance, or enhancement with a lens on safety and optimizing operations.

GOAL 5 OPTIMIZE FACILITIES AND OPERATIONS

Expand and strengthen existing community partnerships to enhance the network of support that enriches educational opportunities for all students, fosters a strong sense of community, and leverages local resources to enhance the overall well-being of Orrville City Schools.

GOAL 1

COMMUNICATIONS

Foster clear, consistent, and accessible communication strategies that strengthen trust, enhance relationships, and unite students, staff, families, and the community to build a connected school system.

GOAL 2

STUDENT ENGAGEMENT AND PARTICIPATION

Create a learning environment where every student feels included, valued, and encouraged to participate in activities that match their interests—whether in the classroom, clubs, or extracurricular programs.

GOAL 3

STUDENT ACADEMIC ACHIEVEMENT

Foster a culture of academic excellence and personalized learning that supports the growth and achievement of all students, empowering them to reach their full potential and successfully pursue their chosen post-graduation pathways.

GOAL 4

OPTIMIZE FACILITIES AND OPERATIONS

Perform a detailed analysis of current district facilities to identify areas of development, maintenance, or enhancement with a lens on safety and optimizing operations.

GOAL 5

COMMUNITY PARTNERSHIPS

Expand and strengthen existing community partnerships to enhance the network of support that enriches educational opportunities for all students, fosters a strong sense of community, and leverages local resources to enhance the overall well-being of Orrville City Schools.
